COMMON SENSE

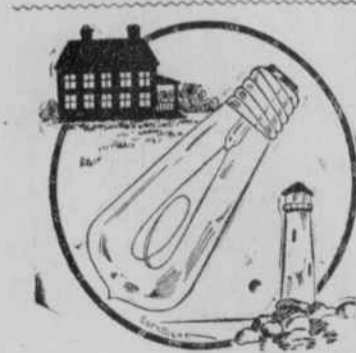

Leads most intelligent people to use only medicines of known composition. Therefore it is that Dr. Pierce's medicines, the makers of which print every ingredient entering into them upon the bottle wrapper and attest its correctness under oath, are daily growing in favor. The composition of Dr. Pierce's medicines is open to everybody. Dr. Pierce being desirous of having the search light of investigation turned fully upon his formulae, being confident that the better the composition of these medicines is known the more will their great curative merits be recognized. Being wholly made of the active medicinal principles extracted from native forest roots by exact processes original with Dr. Pierce, and without the use of a drop of alcohol, triple-refined and chemically pure glycerine being used instead in extracting and preserving the curative virtues residing in the roots employed, these medicines are entirely free from the objection of doing harm by creating an appetite for either alcoholic beverages or habit-forming drugs. Examine the formula on their bottle wrapper—the same as sworn to by Dr. Pierce, and you will find that his "Golden Medical Discovery," the great blood-purifier, stomach tonic and bowel regulator—the medicine which, while not recommended to cure constipation in its advanced stages (no medicine will do that) yet does cure all those catarrhal conditions of head and throat, weak stomach, torpid liver and bronchial troubles, weak lungs and hunch-backed, which, if neglected or badly treated, lead up to and finally terminate in consumption. Take the "Golden Medical Discovery" in time and it is not likely to disappoint you if only you give it a thorough and fair trial. Don't expect miracles. It won't do supernatural things. You must exercise your patience and persevere in its use for a reasonable length of time to get its full benefits. The ingredients of which Dr. Pierce's medicines are composed have the unqualified endorsement of scores of medical leaders—better than any amount of lay, or non-professional, testimonials. They are not given away to be experimented with but are sold by all dealers in medicine at reasonable prices.

RIOTING IN CHESTER.

Riot followed riot in the street car strike situation at Chester, Pa., last night. Mob violence was in force in all sections of the city, and a dozen strike-breakers, who were in charge of the cars of the Chester Traction Company, fared badly at the hands of the strikers.
At 10:30 last night a mob of 3,000 men charged a car at Seventh street and Edgemont avenue. They had followed the car for four squares, and were throwing stones and noisily trying to force the car to stop. The car was crowded with passengers, and several were injured. The mob was finally dispersed by the police, who had several prisoners aboard who were creating a disturbance at the car barn.

There were a dozen policemen on the car, and each had a revolver in his hand. Following a shower of bricks, Sergeant Knodes fired into the crowd. His action was followed by more shots from the revolver of Denby, a negro policeman. But the shots did not frighten the mob.

The crowd paid no attention to the policemen until the City Hall was reached. Then they turned and women and children were trampled to the ground. The rioters apparently had been awaiting the withdrawal of the State police. During the past six weeks it has been said, "Wait until the constables go, then we will have some fun." The fun came last night when dozens of cars were attacked. A car jumped the track at Edgestone late yesterday and a crowd of boys and men attacked the motorman. Chief Burgess Frank Kerr jumped on the car and tried to prevent the motorman. A brick struck him in the head and he was taken to Crozier Hospital, where his condition is serious.

A strike-breaking motorman shot a boy during the rioting.

MRS. VANDERBILT DIVORCED.
Mrs. Eliza French Vanderbilt was granted an interlocutory decree of divorce from Alfred Gwynne Vanderbilt by Justice O'Gorman in the Supreme Court of New York yesterday, on the report of David McElara, the referee who was appointed to take testimony and determine the findings in the suit instituted by Mrs. Vanderbilt. Justice O'Gorman confirmed the report of the referee that Mr. Vanderbilt had been guilty of misconduct, and directed that Mrs. Vanderbilt be granted a judgment of absolute divorce.

The divorce decree provides that Mrs. Vanderbilt may marry, during the lifetime of Mr. Vanderbilt, but prevents him from marrying during her lifetime. The custody of William H. Vanderbilt, the only child of the marriage, was awarded to Mrs. Vanderbilt. No provision was made for alimony in the decree, nor was the subject alluded to in the report of Referee McElara.

The referee's report developed that testimony had been secured from Mr. Vanderbilt's valet concerning the misconduct of his employer on a railroad train a year ago last October in Virginia.

Mrs. Vanderbilt was Miss Eliza French, daughter of the late Francis Oronond French, president of the Manhattan Trust Company and a member of the board of directors of several railroads. She was married in January, 1900, to Mr. Vanderbilt, who had inherited upward of \$600,000 from his father, the late Oronond Vanderbilt.

Mr. John Riba of Virginia, Ia., says, "I have been selling DeWitt's Kidney and Bladder Pills for about a year and they give better satisfaction than any pill I ever sold." Sold by W. F. Creighton & Co.

SOUTHERN PRESBYTERIANS.
Without opposition, Savannah, Ga., was chosen as the place for the 1909 meeting at yesterday's session of the Southern Presbyterian General Assembly at Greensboro, N. C. The sessions were featured by a lively discussion regarding Calvin's views on infant salvation. Professor Smith argued that it was hurting the church to keep up discussion as to infant salvation and infant damnation, and that it was a dead issue. He thought the church had reached the point where it did not care particularly what John Calvin believed on the subject.

After arguments upon both sides Professor Smith's motion to eliminate the subject was lost by a vote of 86 to 55.

Most of the speakers expressed the opinion that the Presbyterian Church of today does not teach or believe in infant damnation. The resolution adopted by the assembly of 1886 upon the temperance issue was reaffirmed. This declared the liquor evil, "and recommends to all our people the use of all legitimate means for its banishment from the land."

DeWitt's Little Early Risers are small, safe and gentle little pills. Sold by W. F. Creighton & Co.

CONFEDERATE MEMORIAL DAY.

Hear me while I chant a lay—listen well, And a picture grand pour y—time will tell, Of the boys in Southern grey—Oh! so true, Who to glory led the way—oh so few, For they fought for what was right—Oh! so well, Nearer the glory then can blight—though they fell.
For their freedom and their hearth, as true as steel,
For the land that gave them birth—All! what then?
See the history—it will tell your ken, History never read to well—got till then, Now at rest beneath the sod—calmly sleep, And their souls are with their God—while we weep.
But with a their memory'll stay—is today, And to them we'll honor—pay—enhalway, And the laurel leaf will lay on their grave, Though the flag they loved so well cannot wave.
May the lessons they have taught ever dwell In the land for which they fought—Oh! so well.
Then with hearts and hands high the story we'll retell, Thus more fittingly than words—chant their praise; And let boys and maid—sing—loud and long, To their virtues tribute bring—in their song, Thus inspire to deeds as great—man and boy,
Then to serve the land they loved will be joy.
—Anne Chew Dorsey Coquillett.
